

AP Chemistry Summer Work Instructions

Hello! The AP Chemistry summer assignments are posted on Google Classroom. I recommend getting to work on this package no later than three (3) weeks before school starts!

Log in to your @g.aledoisd.org account and use the code **wamt2d** to join.

Google Classroom Instructions:

Username: [firstnamelastname@g.aledoisd.org](mailto:firstname.lastname@g.aledoisd.org)

Username example: chemistrybearcat@g.aledoisd.org

Password: Capital first initial Capital last initial six digit lunch code

Password example: CB123456

Go to the "+" sign on your account and select "Join Class." Enter the code wamt2d to join!

If you cannot access Google Classroom, email Mrs. Moore (kmmoore@aledoisd.org) and she will send you the complete AP Chemistry summer work package.

I am looking forward to a great year!

Your Fearless Leader,
Karey Moore
